

Fly Kites Not Drones 19th - 21st March 2016

We are flying kites today in solidarity with young people who live in countries where drones are causing death, injury and fear. Countries like Syria, Iraq, Pakistan, Afghanistan, Palestine, Yemen and Somalia. Children should be free of war, free to play, to walk to school without fear of being bombed.

Join us!

For more information see www.flykitesnotdrones.org and www.dronewars.net and www.dronecampaignnetwork.org.uk
